

Tapestry Throws

(stock and custom)

You can now turn any of our stock art (or even your own photos or pictures) into a beautiful 48" x 64" tapestry throw. These throws are made of 100% cotton and are machine washable.

It's easy to do...

STOCK IMAGES: Choose from any of our 4100+ images on our website and select "tapestry throw" in the order menu or place information on your order form.

PERSONALIZED STOCK: As an option, you can substitute the namedrops with your own text by submitting two lines of type (not to exceed about 14 characters per line). We will then use an appropriate font to make your personalized throw.

CUSTOM: Send us a photo (people, dog, cars, boats, etc.) as long as it is no smaller than 900 pixels and we will have it made into a throw, with optional type.
